GOVERNOR RICK SCOTT

EMAIL: scott@eog.myflorida.com

(850) 488-4441 (850) 488-7146, (850) 410-0501

You want him to remove the rate reductions retroactive to 4/1/2011 immediately before more harm is caused to the DD population or before more providers close down.

SENATE PRESIDENT MIKE HARIDOPOLOS

EMAIL: haridopolos.mike.weg@flsenate.gov

Phone (850) 487-5056

You want him to support the deficit in this year's budget just like the House has done and search for long term solutions for stable and adequate funding for DD including addressing the 19,000 on the waiting list. At any cost, you want the rate reductions restored to the level before the 4/1/2011 'emergency order'. **Be nice they are leaning that way if we can get more Senators on the right side.**

Call all the Senators on the next page – same message

SPEAKER OF THE HOUSE DEAN CANNON

EMAIL: dean.cannon@myfloridahouse.gov

Phone (850) 488-2742

They have funded the deficit, so thank them for their support, and encourage them to stand strong in the budget conferences that are coming up. Above all, get the funding restored to the level before the 4/1/2011 cut. **Be nice they are on our side.**

Important! Call every House and Senate member on the list and make a contact every day either by phone or email. Keep saying the same message.
